HUNTING GLOVE

CROSSBREED MAGNET

Extra light hunting glove for all weather use. Wind and waterproof mitten design. The mitten pocket can be folded and secured on the upper hand using a hook & loop lock. The thumb works the same. The glove can be transformed into a fingerless model for maximum tactile feedback when pulling the trigger. Durable synthetic leather with double stitching as a grip reinforcement. Unlined. Knitted nylon cuff as a wind gaiter preventing debris entering the glove.
